#### INDEPENDENT AUDITOR'S REPORT

To the Board of Directors Our House of Portland Portland, Oregon

#### Report on the Financial Statements

We have audited the accompanying financial statements of Our House of Portland (a not-for-profit organization) which comprise the statement of financial position as of March 31, 2016, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

### Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

### Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Our House of Portland as of March 31, 2016, and the changes in net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

### Report on Summarized Comparative Information

Lanha Mc Guire

We have previously audited Our House of Portland's March 31, 2015 financial statements, and we expressed an unmodified audit opinion on those audited financial statements in our report dated July 8, 2015. In our opinion, the summarized comparative information presented herein as of and for the year ended March 31, 2015 is consistent, in all material respects, with the audited financial statements from which it has been derived.

### NOTE - 1 ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

### Nature of activities

Our House of Portland is a not-for-profit organization founded in 1988 in Portland, Oregon that provides healthcare, housing, and other vital services to low-income people living with HIV. The majority of the revenue is derived from contributions, grants, and payments for community based care.

A description of Our House of Portland's programs are as follows:

### **Our House**

Our House provides 24 hour specialized nursing care and services in a residential care facility for those with advanced HIV who require intensive care. In addition to HIV and related physical health issues, most residents also suffer from mental illness, substance abuse and chronic homelessness. In the past year a total of 21 residents and their families were served. Three individuals had improved health which enabled them to move out of Our House and live independently.

Residents of Our House are encouraged to attend activities provided by our staff and community volunteers. These opportunities include swimming, bowling, bingo, creative writing, gardening, crafts and more. We also have frequent outings to parks, museums, movies, the coast, as well as special community events.

Our therapeutic garden continues to thrive with residents participating every Thursday afternoon to plant, cultivate and harvest fruits and vegetables that are then prepared and served to them by our kitchen volunteers. All residents, including those with visual and other physical impairments, are encouraged to participate. We make special provisions for them to be involved in a meaningful way. Gardening is a great way to build community among our residents and a source of pride and accomplishment for those that are involved.

The work at Our House continually evolves, depending on the nature of the ever changing HIV virus and the complexity of our residents. Much of our recent work is centered around addressing complex co-morbidities, as well as difficult behavioral and cognitive issues. Our continuing educational programs for staff and volunteers are centered around current issues of behavior, nutrition, diversity and other important topics.

Collaborations among other HIV providers and organizations have been critical in addressing the resident and client needs. Agreements with funding providers have provided us with the opportunity to strengthen our infrastructure, develop education and training materials and serve more clients.

Our memberships in various commissions, committees and boards help us to connect with other agencies as well as city/county/state administrators to gain a better understanding of poverty, housing, homelessness, disabilities, equity and other key issues.

### NOTE - 1 ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Our House has been named by Oregon Business magazine as one of the 100 best nonprofits to work for in Oregon for seven consecutive years; based on results of a staff survey Our House ranked #1 (medium nonprofit) in 2015. A survey of the top workplaces in Oregon conducted by the Oregonian ranked Our House #8 (small companies) in 2015. Our House was the recipient of the Alfred P. Sloan award for workplace flexibility in 2011 and 2012.

### Neighborhood Housing & Care Program (NHCP)

The award-winning Neighborhood Housing & Care Program (NHCP) provides assistance with housing as well as supportive services to low income people living with HIV who wish to live independently. The multi-disciplinary, professionally licensed care team provides assistance with nursing services, social services and occupational therapy. The NHCP staff is knowledgeable about issues affecting people living with HIV, community resources & navigating health care systems. Our team works with Cascade Aids Project to provide assistance with securing and maintaining permanent housing. Our team provides health assessments, education and medication management, coordination and assistance to perform self and household care, coordination of housing support, counseling and social support, home safety, and opportunities for engagement and connection in the community. A strong connection to community resources helps clients meet material, emotional, health, vocational and leisure needs. We also provide caregiver education, training, consultation and practice of life and coping skills. This year, a total of 35 clients were served.

### **Community Services**

The community services program consists of **Tod's Corner** and **Esther's Pantry** which provide vital services to low income individuals in our community living with HIV. Clients accessing services to Esther's Pantry may visit each month to receive supplemental food and personal care items. Esther's Pantry was established in 1985 and serves over 200 clients each month. Clients who visit Tod's Corner may receive household items, adaptive equipment, clothing, and companion pet supplies. Other services are also provided upon request; this may include companion pet care, personal identification cards, emergency travel expenses, cremations and more. Clients of Esther's Pantry and Tod's Corner must receive a referral from a care provider to access services. This year, 688 individuals were served.

### NOTE - 1 ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

### Financial Statement Presentation and Summarized Comparative Financial Information

Our House is required to report information regarding its financial position and activities in three classes of net assets: 1) unrestricted net assets, 2) temporarily restricted net assets, and 3) permanently restricted net assets. Our House has no permanently restricted net assets. Temporarily restricted net assets are limited by donor-imposed stipulations that either expire by passage of time or for a specific purpose. When the restriction expires or is accomplished, temporarily restricted net assets are reclassified to unrestricted net assets in the statement of activity as net assets released from restrictions.

The financial statements include certain prior-year summarized comparative information in total but not by net asset class. Such information does not include sufficient detail to constitute a presentation in conformity with generally accepted accounting principles. Accordingly, such information should be read in conjunction with the Our House's financial statements for the year ended March 31, 2015, from which the summarized information was derived.

### **Functional Allocation of Expenses**

The costs of providing various programs and other activities have been summarized on a functional basis in the Statements of Activities and in the Statements of Functional Expenses. Accordingly, certain costs have been allocated among the programs and supporting services benefited.

### Cash and Cash Equivalents

Cash and cash equivalents include general checking account funds and cash on hand.

### **Income Taxes**

Our House is a non-profit corporation as described in Section 501(c)(3) of the Internal Revenue Code and is exempt from federal and state income taxes on related income pursuant to Section 501(a)(1) of the Code. In addition, Our House qualifies for the charitable contribution deduction under 170(b)(1)(A) and has been classified as an organization other than a private foundation under Section 509(a)(2). Management believes it is in compliance with the Internal Revenue Code. Accordingly, the financial statements do not reflect a provision for income taxes. U.S. GAAP requires management to evaluate tax positions taken and recognize a tax liability (or asset) if uncertain positions have been taken that more likely than not would not be sustained upon examination by taxing authorities. Our House is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. Our House is no longer subject to audits by the Internal Revenue Service for years prior to 2012.

### In-kind Donations and Expenses

Our House receives donations of supplies, medical supplies, printing and other costs that Our House would otherwise purchase. The value of these products is recorded as in-kind contribution revenue at fair value and expensed in the financial statements. The value of donated leased property used for the Community Service Program is recorded at fair market value as lease expense.

Notes to Financial Statements March 31, 2016

### NOTE - 1 ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

#### **Contributed Services**

Under generally accepted accounting principles (GAAP), if contributed services create or enhance non-financial assets, or require specialized skills that are performed by people with those skills, and would otherwise be purchased, those services would be recognized as contributions. Our House generally pays for services requiring specific expertise. However, many individuals volunteer their time and perform a variety of tasks that assist Our House with specific assistance programs, fundraising, and various committee assignments that are not recorded in the financial statements. Our House receives approximately 16,000 volunteer hours per year. Of these hours, 14,000 are required for daily operations and include services for the kitchen, medical director, receptionists, and support staff. Management estimates the value of the operational services is about \$282,000.

### Contributions and Pledges

Contributions and pledges are recognized as income when the donor makes a written promise to give that is, in substance, unconditional. Contributions that are restricted by the donor either by purpose and/or time are reported as increases in unrestricted net assets if the restrictions expire in the fiscal year in which the contributions are recognized. All other donor-restricted contributions are reported as increases in temporarily or permanently restricted net assets depending on the nature of the restrictions. When a restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets and are reported in the statement of activities as a release from restriction.

#### Receivables and Allowance for Doubtful Accounts

Receivables consist of service revenue receivables, events, pledges, and grants. They are stated at cost and do not accrue interest on past due amounts over 30 days. An allowance for doubtful accounts is accrued for the portion of receivables and pledges over 90 days old with no current payment plan. Receivables are charged off as uncollectible after management has made reasonable collection efforts. An allowance for doubtful accounts has not been recorded in the financial statements as management estimates that the receivables are collectable and the un-collectable amount is immaterial.

### Investments and Investment Income

Investments including operating reserves with readily determinable market values are stated at fair market value. Realized and unrealized gains are reported in the statement of activity when recognized. Since no restrictions exist on investment income, all income and gains or losses are recorded as non-operating unrestricted activity.

#### **Use of Estimates**

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

Notes to Financial Statements March 31, 2016

### NOTE - 1 ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

### **Property and Equipment**

Acquisitions of property and equipment in excess of \$500 and expenditures for repairs, maintenance, renewals, and betterments that materially prolong the useful lives of assets are capitalized. Property and equipment are carried at cost or, if donated, at the approximate fair value at the date of donation.

Depreciation is computed using primarily the straight-line method with the following class lives:

Buildings 39 years Furniture and equipment 3-7 years

### NOTE - 2 DEFERRED REVENUE

The U.S. Department of Housing and Urban Development (HUD) grant and the DHS State of Oregon grant are considered exchange transactions and accordingly are not recorded as income in the financial statements until services are performed and costs incurred. Multi-year grants are recorded as receivables when granted, but the income is deferred until earned. Special events that represent an exchange transaction are reported as deferred revenue. Deferred revenue consisted of the following activity for the year ended March 31, 2016:

	Total	Current	Lo	ng-term
Special events	\$ 11,000	\$ 11,000	\$	-
DHS State of Oregon grant	220,058	182,644		37,414
HUD renewal grant	140,849	140,849		-
Total deferred revenue	\$ 371,907	\$ 334,493	\$	37,414

### NOTE - 3 PLEDGES RECEIVABLE

Unconditional pledges receivable due in more than one year are required to be reflected at the present value of estimated future cash flows using a discount rate. However, the discounts on amounts due in one to five years are considered immaterial. The pledges are stated at the value expected to be received.

Amounts due in:

 Less than one year
 \$ 120,727

 One to five years

### NOTE - 4 OPERATING RESERVES AND FAIR VALUE

In accordance with generally accepted accounting principles, Our House uses the following prioritized input levels to measure fair value. The input levels used for valuing investments are not necessarily an indication of risk.

Level 1 – Observable inputs that reflect quoted prices for identical assets or liabilities in active markets, such as stock quotes;

Level 2 – Includes inputs other than Level 1 inputs that are directly or indirectly observable in the marketplace, such as yield curves or other market data;

Level 3 – Unobservable inputs which reflect the reporting entity's assessment of the assumptions that market participants would use in pricing the asset or liability including assumptions about risk, such as bid/ask spreads and liquidity discounts.

The following is a summary of the fair values of investments, which are measured on a recurring basis using Level 1 inputs, at March 31, 2016;

Equities	\$ 436,212
Fixed Income	494,824
Money market instruments	117,433
	\$ 1,048,469
The investment income for the year consisted of the following activity:	
Dealized/Unrealized investment lesses	¢ (45 471)

Realized/Unrealized investment losses	\$ (45,671)
Interest and dividends	24,839
Investment fees	(10, 156)
Net Investment Income	\$ (30,988)

#### Market Risk

Our House invests in a professionally managed portfolio of primarily mutual funds. Such investments are exposed to market and credit risks. Therefore, Our House investments may be subject to significant fluctuations in fair value. As a result, the investment balances reported in the accompanying financial statements may not be reflective of the portfolio's value during subsequent periods.

### NOTE - 9 SIGNIFICANT GRANTS and COMMITTMENTS (continued)

### **Federal Programs**

Federal grants received by Our House during the current and previous years since 2005 including, but not limited to, HUD, Oregon Housing and Community Services, and the City of Portland, Oregon, have ongoing monthly and/or annual reporting requirements, tenant income eligibility requirements, and period of use restrictions on the building. These requirements are primarily determined by the U.S. Department of Housing and Urban Development (HUD) and the Portland Development Commission (PDC) and are subject to federal regulation and any Handbooks HUD may issue governing the HOPWA or other federal programs.

A three year HUD/HOPWA grant was awarded for \$1,050,849 for the period 9/1/2013 – 8/31/2016. The grant provides client access to care and support including housing assistance, housing placement, and case management to low-income individuals. A total of \$362,992 was earned for the renewal grant during the fiscal year. A total of \$909,992 has been spent through March 31, 2016 and \$140,849 is remaining on the grant. The grant was renewed subsequent to year end for \$1,016,535.

HUD revenue is reported in the Statement of Activities as follows:

Direct operating revenue \$179,679 Supportive non-operating grant revenue \$183,313

### NOTE - 10 EMPLOYEE BENEFIT PLAN

Our House has a 403(b) tax sheltered plan which covers essentially all employees who regularly work over 20 hours a week. Contributions to the plan are discretionary. As of July 28, 2014, Our House began making employer contributions matching 100% of employee contributions up to 3% of salary. Vesting for employer contributions begins after one full year of service; employee contributions are always 100% vested. For the fiscal year ended March 31, 2016 employer contributions totaled \$38,950.

#### NOTE - 11 MANAGEMENT REVIEW and EVALUATION OF SUBSEQUENT EVENTS

Subsequent events have been evaluated through July 7, 2016, which is the date the financial statements were available to be issued. This review and evaluation revealed no new material event or transaction which would require an additional adjustment to or disclosure in the accompanying financial statements.
